

IELTS dan qanday qilib yuqori ball olish mumkin!?

Assalomu alaykum, ushbu qo'llanmamiz orqali ushbu savolga to'liq va bepul maslahat va javoblar olishingiz mumkin!

Qo'llanma O'zbek hamda ingliz tilida tayyorlanman. Barchaga omad yor bo'lsin!

|

O'ZBEK TILIDA:

IELTS dan 8,5 ball olish uchun 20 ta maslahatga amal qilishingiz kerak

IELTS xalqaro ingliz tili test tizimi degan ma'noni anglatadi va ingliz tili zarur bo'lgan joyda o'qish, yashash yoki ish topish uchun talab qilinadigan eng mashhur rasmiy imtihonlardan biridir. Shunday qilib, ushbu test sizning mahorat to'plamlaringizni va ingliz tilidagi buyruqlaringizni standartlashtiradi.

Tinglash

Tinglashda tovush, vaziyat va ma'ruzachilar bilan tanishish uchun birinchi bo'lim boshidagi misoldan foydalaning.

Yozuv to'xtaguncha tinglashni davom eting, faqat ijro etilayotgan qismga tegishli savollarga qarang.

Tinglash savollariga ular savol qog'ozida ko'rsatilgan tartibda javob bering.

Esda tutingki, ular odatda yozuvdagi ma'lumotlar tartibiga rioya qilishadi.

Yozuv oxirida javoblaringizni Javoblar varag'iga o'tkazish uchun biroz vaqtingiz bor. Bunda grammatika va imloni tekshiring.

O'qish

Akademik o'qishda mavzu, uslub, mumkin bo'lgan manba, yozuvchining maqsadi va

mo'ljallangan o'quvchi kabi xususiyatlarni aniqlash uchun har bir parchani tezda ko'rib chiqishni boshlang.

O'qiyotganingizda, har bir so'z yoki iboraning aniq ma'nosini tushunishga urinmang. Sizing vaqtingiz yo'q va matnning bu qismlari baribir sinovdan o'tkazilmasligi mumkin.

O'qish topshiriqlarida ba'zan misol javob mavjud. Agar shunday bo'lsa, uni o'rganing va nima uchun bu to'g'ri ekanligini aniqlang.

Ba'zi topshiriqlar javobda matndagi so'zlardan foydalanishni talab qiladi; boshqalarda siz o'z so'zlaringizni ishlatishingiz kerak. Ko'rsatmalarni diqqat bilan tekshiring.

Ko'rsatmalar so'z chegarasini ham o'z ichiga olishi mumkin, masalan. Ko'pi bilan uchta so'zdan foydalaning. Javobingizda keraksiz so'zlardan qochib, buni saqlang.

Yozish

Akademik yozishda siz har doim mavzuga rioya qilishingiz kerak. Hech qachon imtixon oldidan matn qismlarini tayyorlashga urinmang.

Tavsiya etilgan vaqtga rioya qiling: 2-topshiriq uchun 1-topshiriqdan ko'ra ko'proq ball bo'lishi mumkin

O'z fikr va jumalaringizni to'g'ri tartibga soling va bog'lang, keng ko'lamli tillardan foydalaning va fikrlarni muhokama qilish va fikr bildirish qobiliyatini ko'rsating (2-topshiriqda).

Agar siz 1-topshiriqda 150 dan kam yoki 2-topshiriqda 250 dan kam so'z yozsangiz, baholarni yo'qotasiz, lekin ikkalasi uchun ham so'zlarning maksimal soni yo'q.

Inshoni rejalashtirayotganda, ishingizni tekshirish uchun ko'p vaqt ajrating.

Gapirmoqda

Speaking-da, tayyor nutq so'zlashga urinmang yoki muhokama qilishingiz so'ralgan mavzudan boshqa mavzu haqida gapirmang.

Har doim ovoz yozish uskunasi emas, balki imtixon oluvchiga to'g'ridan-to'g'ri gapiring.

Imtixon oluvchining savollariga "Ha" yoki "Yo'q" deb javob berganingizda, javobingizga qo'shimcha ma'lumotlarni qo'shing. Har bir holatda kamida bitta fikrni tushuntirishga harakat qiling.

Yodingizda bo'lsin, siz umumiy bilimingiz bo'yicha emas, balki samarali muloqot qilish qobiliyatingiz bo'yicha sinovdan o'tmoqdasiz.

O'z fikrlaringiz va jumalaringizni to'g'ri tartibga soling va bog'lang, oddiy tezlikda aniq gapiring va turli tuzilmalar va lug'atdan foydalaning.

Iltimos, ushbu maslahatlarni chet elda o'qishni rejalashtirayotgan do'stingiz bilan baham ko'ring. (Manba: IELTS imtixonida paydo bo'lganidek)

20 tips you must follow to score 8.5 in IELTS

IELTS stands for International English Language Testing System and is one of the most popular official exams required to study, live or find a job in a place where English is necessary. So this test standardizes your skill sets and command over the English language.

Listening

In Listening, use the example at the beginning of the first section to familiarize yourself with the sound, the situation, and the speakers.

Keep listening until the recording stops, looking only at the questions that relate to the part being played.

Answer Listening questions in the order they appear on the Question Paper.

Remember that they normally follow the order of the information in the recording.

At the end of the recording, you have some time to transfer your answers to the Answer Sheet. Check your grammar and spelling as you do so.

Reading

In Academic Reading, begin by going quickly through each passage to identify features such as the topic, the style, the likely source, the writer's purpose and the intended reader. As you read, don't try to understand the precise meaning of every word or phrase. You don't have time, and those parts of the text might not be tested anyway.

Reading tasks sometimes have an example answer. If this is the case, study it and decide why it is correct.

Some tasks require you to use words from the text in the answer; in others you should use your own words. Check the instructions carefully.

The instructions may also include a word limit, e.g. Use no more than three words. Keep to this by avoiding unnecessary words in your answer.

Writing

In Academic Writing, you must always keep to the topic set. Never try to prepare sections of text before the exam.

Keep to the suggested timing: there are more marks possible for Task 2 than Task 1

Organize and link your ideas and sentences appropriately, using a wide range of language and showing your ability (in Task 2) to discuss ideas and express opinions.

If you write less than 150 words in Task 1 or less than 250 in Task 2 you will lose marks, but there is no maximum number of words for either.

When you plan your essay, allow plenty of time in the end to check your work.

Speaking

In Speaking, don't try to give a prepared speech, or talk about a different topic from the one you are asked to discuss.

Always speak directly to the Examiner, not to the recording equipment.

Whenever you reply 'Yes' or 'No' to the Examiner's questions, add more details to your answer. In each case, aim to explain at least one point.

Remember that you are not being tested on your general knowledge but on your ability to communicate effectively.

Organize and link your ideas and sentences appropriately, talking clearly at normal speed and using a wide range of structures and vocabulary.

Please feel free to share this tips with your friend who is planning to study abroad.
