DEDICATION

For my beautiful son, who brightens my day with his smile, his questions and his mischief.

For my parents, who have always been there.

For Maddi, for being such a wonderful mother to my son.

EPIGRAPH

The limits of my language are the limits of my universe.

- *Johann Wolfgang von Goethe*

Vocabulary enables us to interpret and to express. If you have a limited vocabulary, you will also have a limited vision and a limited future.

- *Jim Rohn*

FOREWORD

Dear reader,

Congratulations, you now have a secret pocket-guide with the most important collocations in the IELTS reading and listening tests. You can whip this nifty guide out whenever you want for some quick high-focus revision!

I've been lucky enough to be able to help many students improve their IELTS vocabulary, IELTS listening, IELTS speaking and IELTS Reading & Writing skills over the last ten years or so.

When I first started working as a business writing coach and IELTS teacher in 2009, I felt like I had a lot to learn, and fortunately I still do.

The information in this book comes from hundreds of hours of research and from my practical experience of preparing thousands of students for this exam.

The contents of this book are not exhaustive, but I've tried my best to compile the most original and valuable information possible for you.

Best Regards,

Marc

WHY COLLOCATIONS IN USE?

IELTS Vocabulary Book 2: "IELTS Vocabulary Masterclass 8.5. BOOK 2: Master IELTS Collocations: Reading Vocabulary & Listening Vocabulary"

The reason why IELTS Vocabulary Book 2 focuses exclusively on collocations in use:

Many candidates preparing for IELTS, study countless hours learning hundreds of obscure high-level words, but they never realize something VERY IMPORTANT.

+ The IELTS test is designed so that high-level vocabulary is usually not central to the information being transmitted. This means that you don't need to know most of these words for the exam, you ONLY need to learn how to understand the general message based on the context.

+ IELTS is designed to test your REAL ability in English and collocations are a BIG part of this, so they are VERY common in the reading and listening parts of the exam.

+ Collocations are usually PACKED with meaning and this is why native speakers use them so often in REAL English.

+ BECAUSE collocations are full of meaning, it's often extremely difficult to understand them from context, so you must learn them for the exam.

+ When the IELTS EXAMINERS write the exam, they use collocations to test your REAL ability to understand English.

+ If you want to get a higher band score in the IELTS test, instead of focusing on obscure high-level language, you need to focus on what the EXAMINERS are focusing on! – If the use of collocations is one of the elements they are focusing on, you should learn them.

ABOUT THIS BOOK

About "IELTS Vocabulary Masterclass 8.5. BOOK 2: Master IELTS Collocations: Reading Vocabulary & Listening Vocabulary"

Listening vocabulary and reading vocabulary are not only vital if you want to achieve the highest band scores in the IELTS test, but also if you want to be able to function in English at an academic and professional level. Master English collocations in use quickly with this IELTS vocabulary book packed FULL of highly focused and easy to follow exercises and explanations. "IELTS Vocabulary Masterclass 8.5. BOOK 2: Master IELTS Collocations" will guide you step-by-step through ADVANCED level IELTS collocations in use, with SPECIALISED exercises and review notes for the exam.

"IELTS Vocabulary Masterclass 8.5. BOOK 2: Master IELTS Collocations", is specially designed for serious IELTS candidates who don't want to waste time. This vocabulary book will make you more efficient at learning new terms and reduce your preparation time, which will give you more free time to focus on other areas.

Hard work and organization are all it takes when it comes to the exam. I'd like to wish you the best of luck.

Stay organised, stay focused and stay positive.

HOW TO USE THIS BOOK

“IELTS Vocabulary Masterclass 8.5. BOOK 2. Master IELTS Collocations: Reading Vocabulary & Listening Vocabulary” is designed to help you improve your IELTS vocabulary with a special focus on English collocations. I’ve written this book for quick reference, as I wanted to avoid it becoming too heavy and theoretical.

The collocations are organized alphabetically into sections for quick reference. Each term includes an explanation of its meaning and an example. At the end of each section you can complete a short review exercise to test your knowledge.

This is not an exhaustive list of collocations that could come up in the IELTS exam, it’s more of a curated list of the most common ones in the exam, with a special focus on those that appear in the listening and reading exams.

ABOUT THE AUTHOR

Marc is originally from Manchester and currently lives in Spain. He is a writer, teacher, trainer, and entrepreneur. He has collaborated with organizations such as the British Council, the Royal Melbourne Institute of Technology and University of Technology Sydney among others. IELTS COLLOCATIONS FOR 8.5 (READING & LISTENING VOCABULARY)

SET 1

about time-

This phrase is used to express an event that should have already happened. When it finally happens, someone might say 'it's about time' meaning that they are displeased with how long this event took to occur.

above average -

When something is better than the usual.

absolutely necessary-

Something which is essential.

action movie-

A film centred around exciting sequences of fighting, explosions, or chase scenes.

after dark-

Literally when the sun goes and there is no more sunlight. Night-time.

after hours-

Use this phrase to talk about things that happen after normal operating hours of a business or office. It can also be used to refer to a club or bar that is open later than others.

after party-

A celebration, usually at a smaller place with less people, following a bigger celebration.

afraid of-

Used to talk about things that scare you or that you fear.

Pronoun + *verb 'to be' + afraid not-

This is used to express a negative answer regretfully. It can be used as a gentle way to say that something can't be done or that something hasn't been done

Question: 'Did Jim finish the project in time?'

Answer: 'I'm afraid not'

against the law-

an action which has been outlawed by the legal system.

alternative medicine-

Holistic medicine which is often natural and traditional. This type of medicine is 'alternative' to what is often called western medicine, which usually involves surgeries and pharmaceutical medications. Another term for alternative medicine is eastern medicine as many of these practices come from Asian countries.

alphabetical order-

A way to organize lists of information which follows the same organization as the alphabet by the first letter of the word.

all in-

To be completely invested in something. This can be used to talk about emotional investment as well as financial investment.

all of the time-

Things that happen 'all of the time' happen frequently or continuously.

all over-

When something is finished or completed

amazed by-

When something causes someone to be in awe or feel shock. This phrase can be used to react to both positive and negative things.

angry about-

To be mad about something.

apply for a job-

Alerting a prospective employer about your interest in working for them by submitting an application or CV (resume).

ask about-

Requesting information about someone or something.

ask for directions-

If a person is lost or unsure about where to go or what to do they may ask for help in order to find their destination.

ask (for) permission-

To request if it is possible to do something from a person in authority over you.

associated with-

To be connected to a person or organization.

Quick Review

Test your knowledge- put the correct collocation in the blank. You might need to change the form of the words.

1. After having two bad interviews, Clara was nervous about_____.
2. That restaurant is great! We go there_____.
3. She has to kill all the spiders in the house because her son is _____ them.
4. If you want to succeed in your exams, you have to be _____. It requires constant dedication and hard work.
5. She received a raise due to her _____ performance.
6. You have to _____ if you want to leave work early.

Key:

- 1. applying for a job**
- 2. all the time**
- 3. afraid of**
- 4. all in**
- 5. above average**
- 6. ask for permission**

SET 2

baggage claim-

The place in the airport where one can retrieve baggage that was stowed in the bottom of the plane.

back road(s)-

Opposite of large, busy motorways (highways). These are smaller streets, often in more rural areas, which people may opt to take for less traffic or for a more scenic route.

back pay-

The difference between what an employee is owed and what their employer has actually paid them. Late payments are examples of back pay.

bad manners-

Social behaviour which is not accepted because it is considered rude.

become unhinged-

Used to speak about someone who is angry or upset to the point of being mentally unstable. This could be for a short period or for a longer period of time.

be someone/somebody-

An important person who has name recognition or other measure of influence.

best practices-

Methods that are considered the most appropriate or efficient ways to complete a task within an industry.

best wishes-

A polite expression used to end written correspondence.

big day-

Another way to describe a meaningful event on a certain day or a meaningful day. Weddings and other large ceremonies could be considered big days.

the big picture-

The entirety of a situation. Rather than focus on smaller finer details, the big picture refers to the overall and broader perspective of something.

black coffee-

Coffee without milk (or cream in the US) and also usually without sugar.

a black eye-

A bruising or darkening around the eye after being hit by someone or something.

black ice-

Frozen water on the street or pavement that is particularly dangerous because of how slippery it is and the fact that it's harder to see.

black list-

A group of people who have been deemed unworthy or unfit to work with. This is not usually a real list, but rather people who are for some reason considered undesirable within an industry.

black market-

Buying or selling things illegally. This does not refer to an actual market and does not have a physical place.

black sheep-

Someone who does not fit in with a larger group (like a family) because of differences in behaviour, interest, or opinion.

black tie-

One of the most formal dress codes reserved for very important events that occur in the evening.

blue sky-

Literally a sky without clouds. It can also denote when there is sun or very nice weather.

bode well-

When something bodes well, it is a good or auspicious sign.

book a hotel-

To reserve a room in advanced at a hotel.

break a promise-

To not uphold something that a person said that they would do.

bouquet of flowers-

A unit of flowers usually arranged for decorative purposes.

bounce ideas off each other-

To openly exchange thoughts and opinions with others, often used in problem-solving or brainstorming session.

build a fire-

To make a fire for cooking or warmth purposes.

Quick Review

Test your knowledge- put the correct collocation in the blank. You might need to change the form of the words.

1. The woman was so excited about her _____ that she couldn't sleep the night before. (Her wedding started at 2pm).
2. The new hiree was very experienced so he already knew the marketing _____ .
3. I trust her a lot because she has never _____ to me.
4. She bought an elegant evening dress for the _____ event.
5. He waited for 10 minutes in _____ before he saw his bag on the carousel.
6. I prefer to take the _____ on road trips because they are always more scenic.

Key:

- 1. big day**
- 2. best practices**
- 3. broken a promise**
- 4. black tie**
- 5. baggage claim**
- 6. back roads**

SET 3

call a cab *(British and Australian)-

Request a taxi for a ride either by phone or with an application like Uber.

call home-

To use a phone to contact your parents or other close relations. Used especially when people are not in the same city.

call in sick-

To contact your employers to let them know about your absence due to illness.

can do-

This phrase is used as an affirmative answer to a question. It's like saying 'yes I can', or 'I can do that'. It can also be used as an adjective to describe a person's attitude or personality.

can opener-

A tool used to open food in a tin. It is sometimes powered by hand, but it can also be electrical.

canned food (tinned food)-

Food that comes in an aluminium tin, usually vegetables or fruits.

cast a vote-

Make an official choice for a candidate or party during an election.

catch a cold-

When someone becomes sick with symptoms of congestion, headache, and sometimes a fever.

catch the train-

To get on or board a train.

cause a scene/commotion-

To draw attention to oneself in public, usually by speaking loudly or

disrupting the normal state of affairs.

checked baggage-

Bags that are too large to be carried onto a plane and are stored under the plane during travel.

cocktail party-

Usually a small intimate party held in the evening where alcoholic drinks and sometimes food are served.

come back-

To return to a place you have previously been.

come clean-

To admit to doing something, usually a type of wrongdoing.

come first-

This phrase is used to describe something that is a priority or holds a position of importance.

come in (colour)-

Usually used to describe products that are available in multiple colours or patterns. 'This shirt comes in blue, green and black'

come to mind-

To think of something. When something comes to mind, it means that the idea appeared in your mind.

come true-

When something that someone has wanted to happen for a long time finally happens. Often used with dreams or wishes.

comfort food-

Food that is very filling and makes one feel cosy. It is often food from one's childhood.

(in the) coming weeks/months/years-

This phrase is used to talk about things that are expected to happen in the future.

commit a crime-

To do something illegal.

common interest-

Shared passions or ideas people may have with each other.

conduct research-

To carry out scientific experiments.

convenience store (corner shop)-

A shop which sells a multitude of useful items and foodstuffs, like snacks, drinks, cleaning and hygiene products.

copy and paste-

Mostly used for computers and smart phones, this process involves duplicating text or images so that they can be used elsewhere on the device.

cookie jar-

A container, usually ceramic, used to store cookies or similar types of sweets.

creative license-

The freedom someone might take in retelling a story to make it more interesting to the listeners.

current events/affairs-

News stories of note and interest.

cutting edge-

Used to describe the newest and latest technology available.

Quick Review

Test your knowledge- put the correct collocation in the blank. You might need to change the form of the words.

1. They got along very well because of their _____ in stamp collecting.
2. The sweater _____ in four colours.
3. I didn't go to work because I _____ over the weekend.
4. She has a very _____ attitude. She's very positive and resilient.
5. Instead of taking the bus, we decided to _____.
6. My office is throwing a _____ if you would like to join me.

Key:

- 1. common interest**
- 2. came in (or 'comes in')**
- 3. caught a cold**
- 4. can do**
- 5. call a cab**
- 6. cocktail party**

SET 4

a day off-

A day when someone does not go to work or school. This can be because of a holiday or an individual choice to not go to work. Usually this phrase is not applied to Saturdays and Sundays, however, it can be used to describe scheduled days in which one does not work.

deal with someone/something-

To acknowledge a problematic situation, problem, or person and solve the issue. To successfully handle a problem.

dead battery-

Used to describe electronics which have no charge and will not function until the charge is restored, usually used for phones and laptops.

deck of cards-

A complete unit of cards for playing games. In games like poker, a standard deck of cards is 54. In games like Uno, a complete deck would be a different number.

in the deep end-

This has two meanings. The literal meaning is the area of a swimming pool with the greatest depth.

The figurative meaning is when someone finds himself or herself in the most complex and complicated part of a problem or situation. If a company throw you in at the deep end when you start a new job, it means that they put you in the job without the necessary training or resources and you are supposed to adapt and learn while you're working.

deep sleep-

Used to describe a period of sleep that was not interrupted by anything.

deep thought-

An idea which is considered particularly profound. It can also be used to describe someone who is thinking about something very intensely. IN this case, we would say something like 'He was in deep thought (He was deep in

thought), when suddenly the phone rang’

dining room-

A room in a person’s home which is dedicated to eating meals, usually for more formal occasions. A dining room is also the space in which people eat in restaurants.

draw heavily from-

When someone is very influenced by someone or something else. We would say something like ‘he draws heavily from other crime novels in his latest book’

draw pictures-

To create a piece of art or other type of visual representation of something, usually with your hands.

draw someone’s attention to something-

To purposefully make someone focus on something specific.

do chores/housework-

Complete tasks like tidying, cleaning, organizing around a person’s home etc.

do someone a favour-

To do something nice for someone else without expectation of repayment.

do better/worse-

To improve performance at a task. The opposite is for a decline in performance.

do homework-

To complete assignments meant to be finished outside the classroom.

do laundry-

To wash clothing, linens, or other fabric-based materials.

do someone’s hair/makeup/nails-

These actions are all used to describe enhancing one’s appearance

surrounding these specific attributes.

do someone's best-

When someone attempts to perform a task to the best of their abilities. It's important to do your best in class if you want to be successful in the exam.

do someone's part-

To contribute with effort or hard work in a group or team setting to achieve a specific goal.

do the math-

To make specific calculations, usually used to talk about money or finances.

do the right thing-

Choosing to do something which is morally right or just.

do time-

Colloquial. Used to describe when someone has been sentenced to spend time in prison or jail. We would say something like this: 'He did time for robbery'.

domestic dispute-

A fight, either verbal or physical, between people who live together.

due date-

A day or time when an assignment or project should be submitted. Also used to describe the date when a pregnant woman's child is predicted to be born.

dye someone's hair/clothes-

To change the colour of someone's hair or clothing using dyes specifically meant for this purpose.

Quick Review

Test your knowledge- put the correct collocation in the blank. You might need to change the form of the words.

1. She was unable to _____ her busy schedule because she had too many meetings and appointments.
2. He always _____ on the weekends when he wasn't working.
3. Hairdressers rarely have the same _____ as they work usually work on the weekends.
4. As children, they almost never ate in the _____ except at Christmas and other holidays.
5. It was clear that the artist _____ from the works of Monet and Degas.
6. I need to _____ because I don't have any clean socks.

Key:

- 1. deal with**
- 2. did housework**
- 3. days off**
- 4. dining room**
- 5. drew heavily**
- 6. do laundry**

SET 5

early adopter/adoptee-

The first people to accept something, usually new technology or ideas.

early bird-

Someone who arrives before an appointed time or very promptly.

early days-

At the beginning of a project or undertaking before one can say if it will be successful.

(to have an) early night-

To go to bed sooner than usual.

earn a living/salary (make a living)-

To make enough money to live from your job.

easy access-

A place which is simple to enter or something which is easy to get to.

easy money-

Money that was not difficult to make.

eat in/out-

Eating out refers to eating meals at restaurants or other public establishments, while 'eating in' refers to having a meal in your home or someone else's.

eat well-

This has two meanings: either to eat food that is healthy and nutritious or to eat a large amount of food.

eating habits-

Dietary tendencies.

electric car-

A car that runs at least partially on electric energy rather than petrol.

elevator pitch-

A short speech used to convince someone of something.

empty promise-

A promise which has no hope of being upheld or fulfilled.

entry-level job (position)-

A job which doesn't require much experience. These jobs are usually reserved for those just beginning their careers.

ethnic group-

People who share a common background, ancestry, or religion.

even number-

A number which is divisible by two.

evening gown-

A dress worn to formal events. They are usually floor-length.

evenly distribute-

To uniformly disperse over an area, or to share things equally amongst people.

evenly matched-

Used to describe people or things that are of equal skill, talent or quality.

exact likeness-

When two things are almost identical.

exceed expectation(s)-

When someone or something performs better than was predicted or expected.

existential crisis-

Problems concerning one's belief in their reason for being or purpose in life.

Quick Review

Test your knowledge- put the correct collocation in the blank. You might need to change the form of the words.

1. The family tried to _____ as much as possible as it is healthier.
2. _____ of technology usually remain loyal to the brand.
3. She has the _____ of her mother.
4. Anna left the bar at seven because she wanted an _____.
5. An _____ is very energy efficient.
6. I would even accept an _____; I need the money.

Key:

- 1. eat in**
- 2. early adopters**
- 3. exact likeness**
- 4. early night**
- 5. electric car**
- 6. entry-level job**

SET 6

face a fear-

To find a way to overcome something which scares you. This often involves people putting themselves in direct contact with the thing which is causing the fear.

face the facts-

A gentle imperative command asking someone to accept the difficult reality of a situation.

face wash-

A product which is used to cleanse the face of dirt or makeup.

fair trade-

This is an economic practice by which international corporations buy products from the developing world. This particular practice is especially beneficial to the producers as it ensures they will be treated well and not taken advantage of.

familiar face-

Used to describe a person who you have met before, even briefly. It is often used to express pleasure in seeing the other person.

fall asleep-

A verbal expression describing the act of going to sleep.

fall in love-

The process of acquiring profound feelings of attraction for another person.

feed pets-

Giving animals in your care food.

feel free-

Letting people know that they are able to act or do as they please. For example, we could say to a friend who is staying in our house; 'feel free to grab food and drinks from the fridge'

field trip-

Taking students from their normal campus in order to do something educational or fun. These include things like excursions to the theatre, museums, or zoos.

fight fire-

The job of extinguishing fires on a large scale. The person who does this job is called a firefighter.

final destination-

The last place a form of transportation will stop.

finger food-

Light buffet style snacks often served at cocktail parties or before a larger meal.

free time-

A synonym for leisure time. This is used to describe what someone likes doing when they are not studying or working. It's a common theme in the IELTS test.

follow a rule/law-

To behave in accordance to rules and laws.

the following day/month/year-

A time in the future that is yet to come. It just means the day, month or year after what we've mentioned. For example, we could have a dialogue like this:

John - 'Mary, are you working next Friday?'

Mary- 'Yes, why?'

John- 'Could you help me prepare my presentation for the following Monday? I'm feeling quite nervous'

follow your dreams/heart-

To do something that you have always wanted to do. This can be used to describe a career path someone has always wanted to pursue. Following your heart can also be used to reference making decisions using instinct and sentiment rather than logic or reason.

foreign policy-

The laws, legislation, and general dealings that one country has with others.

force of habit-

Things that are done with little thought because someone does them very often.

free fall-

To plummet quickly. This phrase can be used to describe a certain type of rollercoaster which vertically drops riders quickly. It can also be used to when talking about stocks and markets which have lost value unexpectedly fast.

free speech-

The right that an individual has to express their opinions freely through speaking and writing. This includes criticizing one's government or one's employer.

frozen food-

Food that has been frozen in order to preserve it for longer.

frozen solid-

A description of something that is so cold that it has developed ice crystals both outside and in making it seem like one complete mass.

full coverage-

When something is completely covered. This could describe physical objects, or it can be used in a less literal sense. Makeup which completely covers the blemishes could be described as being full coverage. Insurance which provides things like dental and vision could also be described as full coverage.

full house-

A description of a place which has a lot of people. It is most commonly used for homes in which many people are living. It can also be used in poker to describe a particular hand with three cards of the same value and two other cards with the same value.

full length-

When used for physical objects, full length usually means something that reaches to the floor in length, oftentimes dresses and mirrors. It can also be used to describe media like books, TV, and movies which are presented in their entirety.

full moon-

When the entire face of the moon is visible from Earth.

furrowed brow-

The brow is the area between the eyes and hairline. Furrowing this area means the eyes are usually raised creating wrinkles in the forehead. It is usually used to denote when people are thinking or worried about a problem.

Quick Review

Test your knowledge- put the correct collocation in the blank. You might need to change the form of the words.

1. The _____movie is not shown on airplanes, as it's too long for most short flights.
2. He likes to read sci-fi and horror novels in his _____.
3. Her birthday will be the _____.
4. I usually watch TV before I _____.
5. It was good to see a _____ at the party because I didn't know many people.
6. The children were excited about their _____to the art museum.

Key:

- 1. full length**
- 2. free time**
- 3. following month**
- 4. fall asleep**
- 5. friendly face**
- 6. field trip**

SET 7

gain entry-

To have access to a place and have the ability to go in.

gain weight-

An increase in body mass.

garment bag-

A special bag which is used to store clothing without wrinkles or creases while traveling.

general knowledge-

Knowing a small amount on a wide variety of topics.

get a joke-

To understand the reason why certain things are humorous.

get angry-

To become mad at someone or something.

get dressed-

To put clothes on, usually the clothing one wears to leave the house.

get hired/fired-

Getting hired means to gain employment. Its opposite is to 'get fired' meaning that someone has been made to leave their job.

get into trouble-

To do something which will lead to a reprimand or some other kind of punitive action.

get married/divorced-

To legally wed somebody. The opposite, 'getting divorced' means that a couple has decided to end their marriage.

get paid-

To receive money for doing a job.

get rid of something-

To remove something, usually by putting it in the garbage.

go abroad-

To leave one's country to travel to another. This is usually used for short periods of time like for a vacation.

go crazy-

To lose one's sanity. This can either be said figuratively or literally. In the figurative sense it means to become, and in the literal sense it can mean to go insane.

go for a walk/run-

Walking or running for leisure. This is not usually done as a means of transportation but rather for exercise or pleasure.

go green-

To start practices which are good for the environment. These include things like recycling, composting, or not using more energy than necessary.

go to sleep/bed-

To get into bed and sleep.

go wrong-

When something is amiss and has not happened according to plan.

good cause-

THANK YOU

I hope you've found it useful!

As I mentioned in the foreword, a lot of hard work has gone into this project.

My whole objective with this book is to help you reach your ultimate goal of achieving an 8.5 in your IELTS test. As I mentioned at the start, this book is not designed to be an exhaustive list of collocations, but instead, a focused and easy-access guide for exam preparation. Review any sections that you feel you need to and use them as a starting point for further research and practice.

WHAT NEXT?

In the next few pages, you'll find a massive bundle of free resources you can get hold of, including letter and email templates, presentation templates and grammar and vocabulary resource books! As a free member with exclusive access to my free starter library, you'll also get free reports, books and articles to help you take your English to the next level!

If you enjoyed this book, I'd be very grateful if you'd post a short review on Amazon. Your support really does make a difference and means a lot to me. I read all the reviews personally, so I can get your feedback and make this book even better in the future.

Thanks for your support.

MEGA-BONUS: MARC ROCHE'S ENTIRE STARTER LIBRARY OF FREE BOOKS!
