

**RULE N=2 DESCRIBE! GIVE DETAILS**

The IELTS speaking module is actually very short: around 12 minutes. You should try to **GIVE PRECISE ANSWERS** in order to show off your vocabulary and fluency.

“I’m from Samarkand.”

**WHERE IS SAMARKAND LOCATED?**

“I’m a student.”

**WHERE DO YOU STUDY? SINCE WHEN?**

“I like the weather in my hometown.” **WHY? WHEN?**

By doing so, you will realize you can talk at length, and this will give you confidence. You don’t need to use very long sentences. Short ones are okay, but **USE COLORFUL + EXACT WORDS** ! Learn how to **DESCRIBE EVERYTHING**. It is just practice. The more you describe, the faster you will realize the same words always come up:

If we talk about <b>PEOPLE.</b>	If we talk about <b>PLACES.</b>	If we talk about <b>Past Events</b>
Considerate	Stunning	Memorable
Thoughtful	Impressive	Unforgettable
Kindhearted	Breathtaking	Challenging but.....
Helpful	Spectacular	..... rewarding
Generous	Picturesque	We had a lot of fun.
Optimistic	Pleasant	We had a ball
Enthusiastic	Peaceful=Quiet	We had a blast

You will see that in this book I will not give you so many big words to learn. However, when it comes to these 7 words for these 3 groups: you should **REMEMBER THEM** and you should **LEARN HOW TO USE THEM** ! They work in every situation !

**Example:** 🙌🙌🙌🙌🙌🙌🙌🙌🙌🙌🙌🙌🙌🙌🙌🙌🙌🙌🙌🙌🙌🙌🙌🙌
